First day

Competition began on Friday 8.11.2013 at 14 o'clock in the fences in the village Divín. After initiation and drawing of serial numbers, going dogs with leaders individually on verification test. Best work performed German dog Festus, who did not give any moment to exhale wild boar. Leader Boris Schnittker must with assistance of his colleague literally tear a dog from wild boar. Also another dogs demonstrate a great job which was reviewed by the respective marks. Canadian female dog Jaga, which saw the boar for the first time in this challenging fences could not get a better mark than 1. But not the wonder, in Canada is mainly used to work with moose and deer, which also showed by sustained and loud blowing of deer.

Second day

Morning 9.11.2013 we gathered in front of the cottage PZ Badín. Afte speech of the presidents PZ Badín and KSK Ľubomír Renč we recieved instructions about the place and hunting animals.

We moved to the site of the first hunting and started hunting. After short period began dogs report boars and hound them towards the shooters. German dog and Italian female dog came across about three years old boar. Boar fiercely defended blast dogs, which finally ended up at the vet and boar on discard. Dogs also hound one boar and deer. At lunch break was found work of dogs and we waited impatiently for information about the injured dogs. Italian lady dog had only superficial surface injuries, but the German dog Festus fought for his life. Broken rib, punctured lungs are truly serious injuries. Thank to kevlar vest that meeting wasn't tragic.

After lunch we moved to second place of hunting. After lunch we moved to second place of hunting. In this hunt we had not opportunity to see the dogs work with boars, but it was heard a loud gee up deer.

After finishing of the hount was for competitor and judges prepared a gala dinner variegated of music Roma musicians. Entertainment was late into the night. Having fun, singing and dancing. During dinner we learned ongoing evaluation of competitors. The cards were shuffled and about the winner will decided the last discipline.

Third day

In second day of competition was not finally decide. The weather was perfect and we were able to amberk on the last day of competition. Between the favorites Fico Žičiho Pustatina and Fortune De La Vallee Du Borne, which haven't lost a single point in the prior assessment, will decide technical discipline. Handler Ing. Stephen Cimbalik went to carefully, not risked and not be little hesitation Fortune near boar, they would not lose any points in the overall assessment. The handler Michal Hornešt insure a chance to win with free postponement. Bitch Andy had a chance to finishing second, but a mistake on the trace and mark 2 is shifted with handler Tomáš Šíbl to sixth position. Third place took Eddy with handler Radovan Kršák. Fourth and fifth place occupied by Italian handlers. Seventh place went to Car with handler Jozef Králik and the last eight belonged Canadian bitch Jage with handler Joseph Kopčok. German dog Festus had to withdraw because of injuries.
